

Winter Class Schedule

January 20th and 21st, 2007
8:00Am to 5:00PM, both days

Millcreek Township Fire Station

Leadership I: Strategies for Company Success

Upon completion of this course, the student will be able to demonstrate increased leadership ability in the areas of decision making, problem solving, and meeting organization.

Running an effective fire service organization, whether career, combination, or volunteer, requires leaders. Many line and administrative officers are very competent in technical areas, but need training and skill practice in key managerial strategies to reach their full potential in leading their organizations. This course is targeted at any line or administrative officer who must make decisions, solve problems, or conduct meetings as part of his/her duties.

February 17th and 18th, 2007
8:00 Am to 5:00 PM, both days

Callensburg Fire Station

Leadership II: Strategies for Personal Success

Upon completion of this course, the student will be able to demonstrate increased leadership ability in the areas of managing multiple roles, creativity, enhancement of personal power base, and ethics. Running an effective fire service organization, whether career, combination, or volunteer, requires leaders. Many line and administrative officers are very competent in technical areas, but need training and skill practice in key managerial strategies to reach their full potential in leading their organizations. This course is targeted at company level junior line officers (lieutenant, captain, etc.) who wish to improve basic leadership skills in such areas as managing multiple roles, creativity, establishment of a "personal power base" and ethics. It may also be applicable to those administrative officers of volunteer organizations (president, secretary/treasurer, etc.) who find that their responsibilities require similar skills.

March 17th and 18th, 2007
8:00Am to 5:00PM, both days

Sligo Fire Station

Leadership III: Strategies for Supervisory Success

Upon completion of this course, the student will be able to demonstrate increased leadership ability in the areas of situational leadership, delegating, coaching, and discipline.

Running an effective fire service organization, whether career, combination, or volunteer, requires leaders. Many line and administrative officers are very competent in technical areas, but need training and skill practice in key managerial strategies to reach their full potential in leading their organizations. This course is targeted at department - level officers (Chief, Assistant/Deputy Chief) or upwardly - mobile company officers that wish to improve their leadership skills in the areas of situational leadership, delegating, coaching and discipline. It may also be applicable to those administrative officers of volunteer organizations (president, secretary/treasurer, etc.) who find that their responsibilities require similar skills.
